Contribution Deductibility:
Yes
Addendum Applies:
No

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Re: DEAR GRANDMA

To Whom It My Concern:

This letter is to confirm that Glix for the Arts has retained Glix Entertainment, Inc to produce "DEAR GRANDMA" on our behalf, filming on 10/28/2019. Any fees waived and/or reduced for this project by FilmL.A. on behalf of the jurisdiction that we will be filming in will result in an equivalent reduction in cost to Glix for the Arts.

Please outline the intention of the project below:

OVERVIEW

5 minute scripted viral video showing how drugs affect family members and can easily get out of control. The video will show how painful it can be lose a family member due to drug abuse.

GOALS

1. Communicate that drug use is dangerous and should be avoided.
2. Create a visual, entertaining video that captures a feeling "I've never seen that before" and entice the viewer to share through their social media.
3. Create hope and encourage sufferers to seek help.

Yours truly,

Cynthia G. Bravo Moreno
